EVERY SEASON HAS AN ASSIGNMENT

Recognize your times and seasons, discern what God is doing, and partner with Him season by season.

God unfolds His plans, purposes, promises, and prophetic words not all at once, but over time—season by season. This message explores the biblical principles of chronos, kairos, appointed times, and due season—the time when what God has spoken comes to fruition. Discover how God works out His Word through time, how to discern what He is doing in your present season, and how to partner with Him until your due season comes.

Takeaway: Learn to recognize your season, discern God's timing and the assignment of your present season, and steward it as you trust Him for your due season.

NAVIGATING CHANGE

Follow God forward when seasons shift

Change is an inevitable part of life and often what God uses to usher us into new seasons. This message explores how to navigate change — whether expected or unexpected — with biblical wisdom and discernment, and how to follow God forward as familiar seasons shift.

Takeaway: Learn to discern God's direction and move forward with faith and grace when seasons change.

SECRET PLACE PRAYER

Cultivating a life of prayer, discernment, and intimacy with God that sustains you through every season

The secret place is where communion with God becomes the foundation for navigating every other season of life. This message explores prayer as a place of abiding, listening, surrender, intercession, and prophetic insight—where we learn to recognize God's voice, receive His guidance, and gain spiritual clarity for the seasons we are called to walk through.

Takeaway: Discover how to cultivate a prayer life that keeps you rooted in Christ, sensitive to God's voice, and sustained through every season.
